

## Gill's Landscapes Testimonials

**an extract from Margot's letter (6 February 2014):**

*.... I have to thank you very much for the exemplary work your team did and for all of them being so polite, pleasant and courteous .....*

**an extract from Rache's email (18 February 2013):**

*.... I wanted to say we have been extremely impressed with the professionalism, quality of work and levels of communication provided by you and your team. We have absolutely no hesitation in referring potential clients to you, and have. The process, right from initial contact and site meeting, thru to complete (nearly) delivery has been consultative and certainly made the final stages of the build a far less stressful event for me.*

*Appreciate it.  
Rache, Hampton*

**an extract from Roger and Dee's letter (15 March 2012):**

*.... We wish to express our sincere thanks for the work undertaken and particularly the way in which your staff carried out the task. We express our thanks to Ben and his team in the way great respect was given to the fact they were on our private property with no inconvenience to us, our neighbours or the passing public, and the easy way they communicated with us.*

*We cannot forget Helen for her design option, the selection of plants and the explanation of the selection at the nursery.*

*We would be happy to recommend the services of Gills Landscapes to others.*

*Regards,  
Roger and Dee*
